# Woodward ANNUAL

Editors ..... Donald Dearwester, Eva Tucker

Assistant Editors ..... Pat Eberle, Mattie Jordan, Joan Smart, Carrie Thomas

Staff Typist ..... Eva Moore

Faculty Advisor ..... Miss Mildred J. Tieman

Business Advisor ..... Mr. Cliff House

Business Staff ..... Scott Hoo, Harry Jenkins

Advertising ..... Miss Mary Anthony

It is the sincere wish of the annual staff that you thoroughly enjoy this year's Annual. We hope it will prove to be a tangible reminder of your days at Old Woodward and, in so doing, recall many pleasant memories for you. It is our desire that our theme, "How Can We Forget" will serve as a lasting tribute to Old Woodward.

The responsibility to uphold the flag and its principles has been placed upon the youth of today. The Color Guard of Old Woodward came into existence in 1893 and is an example of how youth is prepared for this task. The duty of the Color Guard is to take care of the school's flag.

The Color Guard is chosen on the basis of citizenship and scholarship. To be selected to guard the flag is the highest honor a student at Woodward can attain.

The flag of the United States is the third oldest of the national standards of the world. It is older than the Union Jack of Great Britain or the Tricolor of France. Our flag has been brought to its proud position of today by the love and sacrifice of each succeeding generation. Each citizen has made his contribution according to his talents.

Today the flag of the United States is a symbol to the entire world — a symbol of national independence, of individual liberty, and of patriotism.

# History of Old Woodward High School

Old Woodward High School was founded by William Woodward, who was born in Connecticut in 1768. He left home in 1781. His journey west came to an end with his landing at the foot of Broadway of what is now known as Cincinnati. Later he met and married Abigail Cutter.

On the twenty-first day of November, 1826, Mr. and Mrs. Woodward executed a deed conveying seven acres of their land for the purpose of building and supporting a free public school. A few days later an additional acre was given, and upon this ground the first Woodward school was erected. The actual work was begun in 1830 and on October 24, 1851, the first school west of the Allegheny Mountains was opened and dedicated. Ten years later a third story was added to the building. Fourteen years later in 1855, this plain, unpretentious building gave way to a greater structure. It was of Gothic architecture and three stories high.

In 1907 this beautiful building was torn down, making way for the present building of today.

Woodward has brought untold benefits to countless thousands. It is the symbol of lofty ambitions and high ideals, of loyalty to God, to home and to the nation.

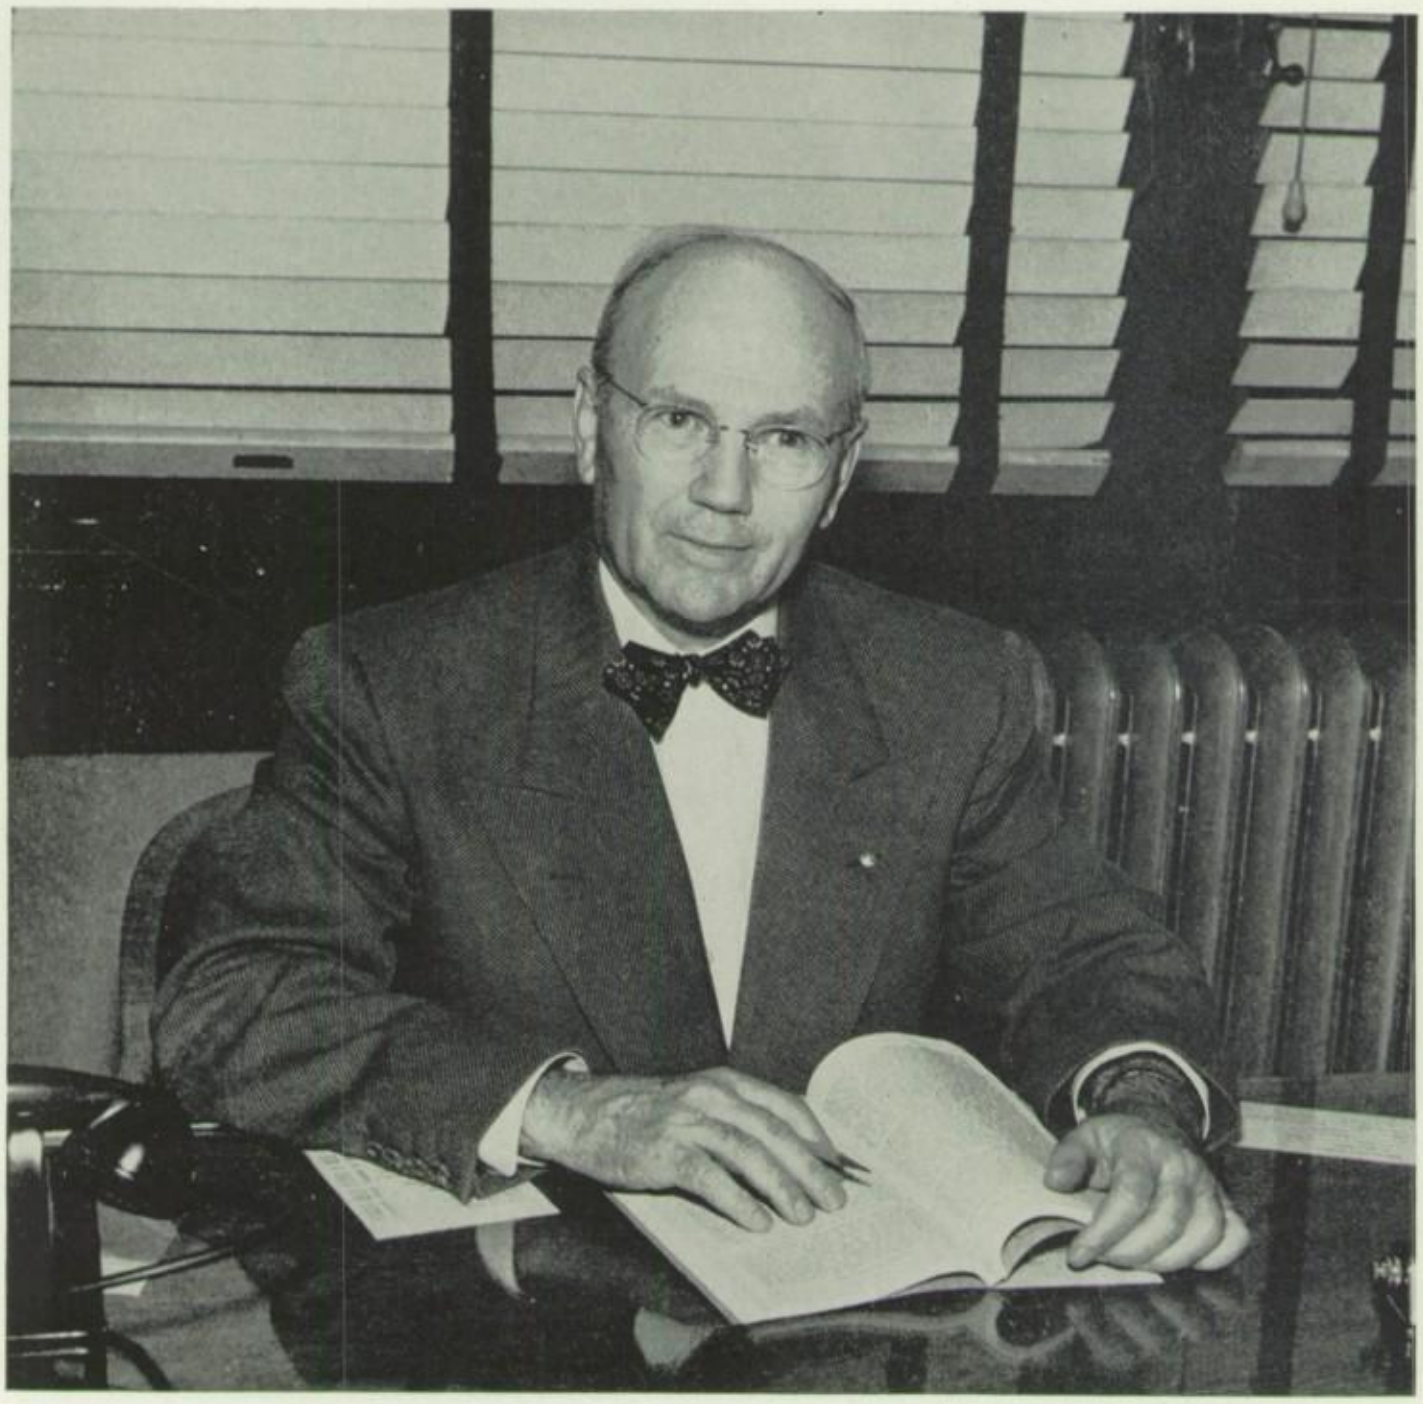
Old Woodward High School is, and shall always be, an object of our fondest affections and memories.

To her we sing:

Old Alma Mater, Woodward High,
We pledge our true devotion;
Thy sons and daughters chant thy praise
From ocean to ocean.
Like they who through thy hundred years
Thy light has carried onward,
I pledge my heart, my head, my hand to thy ideals,
Wodward!
I pledge my heart, my head, my hand, and bid thee
God Speed, Woodward!

# Faculty

HOW CAN WE FORGET the faculty whose invaluable assistance during the past four years has taught us to solve many difficult problems. In this way we have developed our capacity to meet the inevitable disappointments of the world and strengthened our desire to reach for the higher goals of life.



It is every human being's right to lead a free and a happy life. However, happiness is not a gift that comes to those who desire it, but is a longed for, sought after state that is earned by whoever possesses it.

Happiness must come from within the person and must be shared with others, if it is to be true happiness. Happiness is the result of the living of philosophy of service to others and of personal accomplishment. It is also the ability to look about and to love and appreciate the beauty which you see, the friendships which you enjoy, and the good that you see in others.

It seems that the more you give of yourself, of your time, and of your interest to those about you, the more you have in life's bank of happiness.

The older you become, the richer and more pleasant should become your memories. Remember, that neither time nor place nor circumstances can steal from you one moment of happiness that is past nor can keep you from seeing the beautiful and the good and the just. Happiness comes only to mature people with a sincere faith in their way of life.

ROY E. CAHALL

To you the Graduates of 1955, I extend congratulations. Our City, State, and Nation needs you. From every group engaged in constructive work, comes the call for leadership. The problems we face today are often greater than the people who are trying to solve them. It takes more than ordinary effort and training to solve these extraordinary problems. By your successful completion of high school, you have shown an interest in preparing yourself to do more than a mediocre job. You have your feet firmly planted on the first step of the ladder to success. How many more steps you take will depend primarily on you and your attitude toward work, study, and people. I am confident many of you will continue to accept the challenges required for good leadership in adult life.

Best Wishes,

G. H. VAN NESS

Student Council is one of the means by which the members of the student body are taught to think objectively and intelligently and to better express themselves. Each homeroom elects one representative to Student Council. We believe that this type of representation, which offers a direct voice in student council affairs, is very beneficial to the students.

The Student Council strives to maintain and enlarge the activities, and school spirit of Woodward. It plays a major part in helping to solve problems which arise during the school year.

Our organization functions for the community as well as the school. We assist such activities as the Polio Drive, the Thanksgiving food collection, and the Junior Red Cross. In school we sponsor the Big Brother and Big Sister Program, and the Annual Sports Banquet. In all our work, we are aided by Mr. Raymond Brokamp and Mr. Charles Hipport, faculty advisors.

An outstanding organization at Woodward is the A Capella Choir. To be eligible for membership a student must have musical ability. Under the expert leadership of Mr. Abraham Gershkovitz the choir participates in school and community events. At Music Hall during the Christmas season, Woodward's choir joined groups from other city high schools to form a 500 voice Yuletide Chorus under the direction of Dr. H. L. Wilson and Dr. Thor Johnson. Many of the school assemblies were made very enjoyable by performances of the choir.

# ANNUAL STAFF

Eva Moore, Carrie Thomas, Eva Tucker, Pat Eberle, Miss Tieman, JoAnn Hubbs, Joan Smart, Gladys Terry, Mattie Jordan.

The Annual Staff is composed of students from the senior class who give their time and effort to produce the yearbook. The actual work of the publication rests on the shoulders of the staff, but the co-operation of the senior class as well as the whole student body, is absolutely essential for a successful book.

The sale of the Annual is a big job and we certainly thank the homeroom representatives for their help in taking orders and distributing the books.

The Woodward Band enjoyed a year of varied activities which started with the usual football rush. The first practice was called two weeks before the opening of school in preparation for the annual Pigskin Preview. The band has scored hit after hit with its unusual dance numbers.

Outstanding members of the band form the Hi-Capades Band. During the Hi-Capades this group plays familiar melodies which are very enjoyable.

Later in the year the Band appears in such events as the Band Festival, which is usually held at Wilson Auditorium during the month of May. This climaxes the high and bright spots of the Band — until they bring forth Pomp and Circumstance on Class Day.

# MAJORETTES

Woodward has always been proud of her high stepping majorettes and this year proved to be no exception. Led by their captain, Willa Brooks, our majorettes made each performance a spirited one.

# HI-CAPADES

The Hi-Capades really got under way this year as Mr. Cahall bought the first ticket from Nancy Mink. The theme of the Hi-Capades was "Cinerama," and the cast did a wonderful job of transporting the audience to Chicago, Cincinnati, Miami, and New York. The show was highly entertaining, and a huge success.

Zenola Reed and Alice Hamler went Latin in their exotic song and dance arrangement of "Sway."

These girls were "busy bees" preparing the many costumes used in the show.

Row 1—C. Toney, R. Carter, E. Hill, S. Broadnax, O. Gaines, E. Shaw, R. Reliford, H. Maxwell, C. Southall, T. Davidson.

Row 3—Mr. Powers, Mr. Corcoran, C. Woods, S. Smith, R. Long, P. Brown, J. C. Carter, E. Robinson, W. Campbell, H. Adams, K. Scott.

Row 4—B. Patton, F. Neal, J. Carmichael, M. Dunn, R. Smith, R. Gayle, Frazier, W. Taylor J. Robinson.

Row 5—A. Pankay, J. Andrews, C. Gorer, H. Davis, S. England, S. Harper, A. Gibson, R. Battle, manager, W. Grant.

As spring training commenced, nine lettermen reported to Coach Richard Bathiany for action. These veterans and prominent graduates from the reserve team made the 1955 Bulldogs the most experienced and aggressive team in Woodward history.

The Bulldogs won their first three league games to take first place in the PHSL. And then the team was stopped in the next two league games by Hughes Big Reds and the Withrow Tigers. We won our last league game by beating our newest rival, New Woodward, 13 to 6. This was one of the team's most cherished victories.

The climax thriller of the season was "the moral victory" which we won over Portsmouth. After the Trojans and the Bulldogs had pushed each other all over the field, the score was knotted at 13-13. With seconds left to play in the game, the Trojans came through with a field goal and won 16 to 13. Although the Bulldogs lost the game, it was a moral victory for the team because Portsmouth is one of the highest rated grid powers in the state and the experts had predicted our team would lose by a large score.

The team's season record was 5 wins and 4 losses which put it over the 500 mark. The league record was 4 wins and 2 setbacks, which was good for Third Place in the PHSL grid standing, the highest in Bulldog grid history.

The team scored 15 TD's, and in all they scored 98 points to the opposition's 80. The following shared the TD honors: Oscar Gaines led the team with 7, Sid Broadnax 4, Joe Shaw 3, and Tom Hatcher 1.

Ed. Hill, the stalwart guard who was a menace to the opposition with his hard charging and ferocious tackles, was chosen on the first All-City team. Joe Shaw landed a berth on the second team and Oscar "Jet" Gaines received honorable mention. All the members of the team should be commended for their fine sportsmanship and for playing alert football all season. Old Woodward should be proud of this team, because it represented the school well in its last year as a senior high school.

The Reserve team, which is pictured with Varsity, enjoyed a successful season under their Coach, Mr. Corcoran. The grid future of the new Robert A. Taft High School depends upon some of these grid-gallants. The team won three games, tied 2, and lost 1. This was good for second place in the PHSL.

Halfback Oscar "Jet" Gaines scoots around left end.

The Bulldogs are on defense against Withrow as Joe Shaw tackles a Tiger from behind.

# RESERVE BASKETBALL SQUAD

(*Left to Right*)

Row 1—J. Andrews, D. Cunningham, S. England, A. Gibson, W. Campbell.

Row 2—D. Angel, S. Smith, R. Welch, J. Harrison, E. Turner, L. Hill, Coach Powers.

The reserve hoopsters enjoyed a successful season. With a 12-6 record they were co-champions of the PHSL.

Jim Harrison, Roosevelt Welch, Sam Smith, Elvin Turner and Larry Hill are the five boys who played the bulk of the games and mastered most of the techniques which Coach Powers taught them. Don Cunningham was a well needed sixth who played either guard or forward. Many of these boys will prove valuable to next year's varsity.

# CROSS COUNTRY

Under the capable instruction of a new coach, Mr. Art Reisner, an inexperienced squad was developed into marathon runners of indomitable spirit.

The aggressive cross country team of the blue and white surprised its competitors by finishing fourth in both City and District meets against veteran teams.

Clifford Fennell, the Bulldogs' determined captain, did a great job of finishing fourth in the first and second City Meets, second in the third City Meet and first in the District Meet in local competition. He was, also, the only Woodwardite to qualify for the State Meet. Clifford finished eleventh which was a very fine showing for him in his first year of rugged competition.

Coach Art Reisner said, "Taft High School can look forward to a good season in its first year of competiion, because the team will lose no one by means of graduation."

# SWIMMING

This is the second consecutive year that Old Woodward has been represented in swimming competition.

Therefore, with only one year of experience the entire team from last year was not well-seasoned. Due to this fact, Mr. Corcoran had the job of putting the boys through many hard, gruelling hours of practice to get them into shape.

However, it is evident that Coach Corcoran did a splendid job, because the Bulldogs' swimmers made effective showings in all their meets.

Even though the team was inexperienced, it had outstanding swimmers in Hiram Thomas, Vernon Mobrley, and John Crachiollo. The latter was named as the most outstanding of the three by his Coach.

# TRACK

Row 1—W. Raven, T. Southerland, T. Harrison, M. Dunn, P. Brown, E. Shaw, W. Thomas, C. Whitehead, T. Brown, R. Butler, W. Patton, J. Wilson, B. Lewis.

Row 2—R. Smith, W. McMillan, D. Angel, F. Whigman, W. Jordan, Adams, J. C. Jeffries, T. Riley, K. Scott, C. Tony, F. Neal, H. Morbley, R. Gurton.

Row 3—Coach Bathiany, Mgr. Littlejohn, C. Fennell, J. Walker, B. Steadman, F. Franklin, R. Patterson, D. McDaniel, E. McCreary, R. Steven, T. Slaughter, Mgr. T. Powell, Coach Canter.

Old Woodward's track team got off to a good start this spring. As the Annual goes to press, the Bulldogs' cindermen have participated in five track meets. They finished second in one meet; third in three meets, and fourth in the other meet.

But Coach Bathiany's boys are placing this excellent record behind them as they are putting in many hours of hard practice preparing for the P. H. S. championship meet. This annual cinder carnival is going to be conducted May 29, at Trechter Stadium.

With such potential stars as Willie Anderson, Joe Shaw, J. C. Jefferies, Paul Brown, Tim Brown, Clifford Fennell, Joe Wilson, and Curtis Whitehead, the Bulldogs are going to provide plenty of trouble for their competitors.

# VARSITY BASEBALL

Row 1—B. Neely, J. Thomas, W. Holmes, H. Maxwell, W. Grant, T. Davidson, S. Broadnax, N. Mack, W. Rox, J. Bates.

Row 2—J. Plumley, D. Abbot, O. Ware, B. Haley, W. Henderson, E. Byrd, B. Hawkins, D. Cunningham, D. Tyree, Coach Bud Thinnes.

Not Pictured: Managers, Gerry Jones, Robert Embery

Coach Nelson Thinnes was able to field six lettermen this year plus other veteran diamondmen. The lettermen were Harold Maxwell, Willie Grand, Walter Holmes, Troy Davidson, Gerald Plumley and Sid Broadnax. Both Grant and Davidson hit above 300 last year. Nevertheless, the team found the going a little tough because several prominent players were lost through graduation.

Coach Thinnes' squad started the season by losing their opener to Withrow, 8-0. Following this game, the Bulldogs dropped four straight. Then they came out of this slump with impressive wins over Norwood and Western Hills. The Dogs won the game from Western Hills behind the shutout pitching of Bill Haley, 1-0. Bill and Harold Maxwell were the most effective pitchers.

Coach Thinnes thinks that there are several fine prospective players on the team who will help win games next year.
